INSTRUCTIONS FOR CONTRIBUTORS

All papers and session proposals must be submitted using the Web-based submission system found at the following link: <http://www.internationaldsi.org>. You will need your paper or proposal, excluding author identification, **in PDF format**, plus contact information for all authors, including full name, affiliation (business or university) mailing address, office phone and e-mail addresses. Detailed instructions can be found on the website.

Regular paper submissions should not exceed 20 pages in length. While a 500-word abstract is sufficient for review, abstracts and proposals for panels, tutorials and workshops should be as complete as possible and include preliminary findings and justification for the effort. All information identifying the authors should be removed from the paper, so the title page should show only the title of the paper.

Accepted papers must be formatted in final condensed form and returned to the Proceedings Editor by **April 17, 2009**. The final version of the Proceedings paper is limited to six pages and is uploaded electronically in PDF format. Specific instructions will be sent to the authors with the acceptance notification.

CONFERENCE REGISTRATION FEE

The conference registration fee of \$550 or €355 (euros) includes a reception at the Art Museum of Nancy and the City Hall, a dinner at L'Abbaye des Prémontrés and the gala dinner at Château de Harroué.
